Happy Holidays!

Dear Burnaby Minor Hockey Association players and families,

As the holiday season approaches, I want to take a moment to extend the warmest wishes to all of our hockey families. This time of year is a perfect opportunity to reflect on the achievements and memories we've made together so far this season, and to express our heartfelt appreciation for your dedication, hard work, and support.

To our players – you continue to show determination, sportsmanship, and a true love for the game. Your commitment on and off the ice is inspiring, and we are so proud of everything you've accomplished. Keep up the great work!

To our parents and loved ones – thank you for your unwavering support through early mornings, late nights, or cheering from the stands. Your efforts make everything possible, and we couldn't do it without you!

For those of you in tournaments over the holidays, best of luck to you, please enjoy every moment. For those wanting to keep the hockey vibes going throughout the holidays, watching the World Junior Hockey Championship is a great way to spend time together. **Let's Go Canada!**

As we celebrate this special time with family and friends, I encourage everyone to take some time to relax, recharge, and enjoy the season. We look forward to continuing our journey together in the New Year with even more exciting games, growth, and camaraderie.

Wishing you all a joyful holiday season and a happy, healthy New Year!

Sincerely,
Keith Renfrey
BMHA President

Shout out to the the upcoming new show on CBS **Watson: Season One** for covering the cost of the repairs needed for our foam rink dividers!

Watson is filmed at Burnaby's Bridge Studios and is set to premiere on CBS on January 26, 2025. The series, described as a "medical drama with detective elements", is centered around the character of Dr. John Watson from Arthur Conan Doyle's Sherlock Holmes stories.

Burnaby Minor Hockey Association has played host to one of the most prestigious amateur hockey tournaments in Western Canada. Teams from Asia, Europe, the United States and Canada come together in the spirit of competition and sportsmanship to participate in our annual Winter challenge. Some of the NHL's finest players have "show their stuff" at previous tournaments, including Burnaby's own Ryan Nugent-Hopkins and Hockey Hall of Famer's Joe Sakic and Glen Anderson.

Head on down to the rink and enjoy some thrilling hockey action while cheering on our BMHA teams and players!
